Family Strengthening Worker / Clinic

The Janet S. Munt Family Room is seeking enthusiastic staff to join us to support our community-driven Family Room programs.

The Family Strengthening Worker/Clinic supports the Building Strong Families Clinic program, providing a safe space for immigrant families to interact authentically with healthcare providers. They act as liaisons to medical and social services, work with pediatric physicians to educate families, and ensure comprehensive care plans are understood.

Ideal candidates should embrace the mission, know community resources, have experience with diverse populations, and ideally speak Kirundi, Swahili, or French.

This position is part-time, 12 hours per week
Compensation is \$21 per hour or more based on experience
Benefits packages are available
